2. Acceptance and Confirmation: The written offer sent by PURCHASER to SELLER and The Ohio State University's Standard Purchase Order Terms and Conditions (Rev. 11/2007) (collectively hereinafter referred to as "Purchase Order") constitutes the entire agreement between the parties, unless otherwise specifically noted by PURCHASER on the face of the Purchase Order. Each delivery of goods and/or services received by PURCHASER from SELLER shall be deemed to be upon the terms and conditions contained in the Purchase Order. No additional terms may be added and the Purchase Order may not be changed except by written instrument executed by PURCHASER. SELLER is deemed to be on notice that the PURCHASER objects to any additional or different terms and conditions contained in any acknowledgement, invoice, or other communication from SELLER, notwithstanding PURCHASER'S acceptance or payment for any delivery of goods and/or services, or any similar act by PURCHASER.

3. Inspection: All goods and/or services delivered hereunder shall be received subject to PURCHASER'S inspection and approval and payment therefore shall not constitute acceptance. All payments are subject to adjustment for shortage or rejection. All defective or non-conforming goods will be returned pursuant to the SELLER'S instruction at SELLER'S expense. To the extent that the Purchase Order requires a series of performances by SELLER, PURCHASER prospectively reserves the right to cancel the entire remainder of the Purchase Order if goods and/or services provided early in the term of the Purchase Order are non-conforming or otherwise rejected by PURCHASER.

4. Shipping: All goods are FOB destination and must be suitably packed and prepared to secure the lowest transportation rates and to comply with all carrier regulations. No charges will be paid by PURCHASER for packing, crating or cartage unless otherwise specifically stated in the Purchase Order. Unless otherwise provided in the Purchase Order, no invoices shall be issued nor payments made prior to delivery. Unless freight and other charges are itemized, any discount will be taken on the full amount of invoice.

All shipments of goods scheduled on the same day via the same route must be consolidated. Each shipping container must be consecutively numbered and marked to show the Purchase Order number. The container and Purchase Order numbers must be indicated on bill of lading. Packing slips must show Purchase Order number and must be included on each package of LCL shipments and/or with each carload of equipment. PURCHASER reserves the right to refuse or return any shipment or equipment at the SELLER'S expense that is not marked with the Purchase Order numbers. SELLER agrees to declare to the carrier the value of any shipment under the Purchase Order and the full invoice value of such shipment.
