

Barefoot Promotions

Barefoot Promotions offers discounted pricing to all buyers under The Ohio State University umbrella regardless of quantity. We are familiar with university requirements for logo usage and will strive to ensure all criteria are met for compliance. Proofs are provided for each and every order at no charge.

We are familiar with CPSIA standards, Prop65 and other safety issues. We work with our suppliers to be aware of their product safety testing standards to ensure that the products you receive meet the required safety guidelines. If there is ever a problem with a product or the decoration, we will replace it immediately. Samples are provided at no charge.

We carry a full line of products including: drinkware, pens, food gifts, awards, apparel, eco-friendly, flash drives, bags and more. Direct Mail, brochures, postcards, note cards, notepads and other printed items are also available. A number of items are also available at below catalog minimums for those orders where a large quantity is not necessary. As part of the OSU program, these items are offered at the discounted price with no less than minimum charges. With this special program we can work with orders and quantities of any size.
