

Berwick Manor Catering

Berwick Manor is a family owned business that was established in 1955 when Maria & Tony Susi opened a small restaurant in Berwick after arriving in the United States from Italy. Over the past 55 years the business has expanded to include on-site banquet and off-premise catering. Berwick offers Lunch Menus and Dinner Menus for catered events, which include recipes that were carried from Italy more than a half a century ago and have been perfected over time. The Office Luncheon Buffet is a flexible menu that can be used for any event. Berwick also has Carry-Out pricing which includes all food items that Berwick can offer and there is no minimum to an order. All of the orders are made fresh when the order is placed. Berwick would be able to deliver the food at no charge. If there is not a catering menu available that fulfills your needs, our banquet managers will design a menu to meet your specific event requirements.
