

Cheryl's Cookies

Cheryl's is a multi-faceted business comprised of retail stores in Ohio, a high traffic Internet business, successful Business Gift and Wholesale Division, all headquartered in the Columbus suburb of Westerville, Ohio.

Cheryl's features individually wrapped gourmet brownies, cakes, fancy cookies, including seasonal cut-out cookies topped with our signature buttercream frosting.

Cookies and brownies can be ordered in full case packs and should be kept frozen if not used within 5-7 days.

We would love to help make your event extra special with custom creations.
