

Bottled & Filtered Water Service

Ice Mountain Direct (a division of Nestle Waters North America)

The Ohio State University is pleased to announce a prime supplier agreement with Ice Mountain Direct (a division of Nestle Waters North America) for 3 & 5-gallon bottled water service and filtered water systems. The Ohio State University is a Premier account for Ice Mountain Direct.

In an effort to maximize efficiencies and cut costs with regards to bottled water service and filtered water cooler service, Ice Mountain Direct is offering special rates for The Ohio State University.

For Bottled Water or Filtered Water Service

- Contact Ice Mountain Direct at (800) 950-9907. A Sales Support Professional will review pricing & options over the phone and if necessary schedule an appointment with Ray the Ice Mountain Direct Key Account Manager. New Filtration customers require an appointment for a site evaluation prior to starting service.
- For OSU employee-paid accounts, ask for special billing details.

What does this mean for OSU locations?

Every serviceable location will receive exceptional service, extra savings, and an Ice Mountain Direct customer support network that is second to none.
