

### Fisher Scientific

A comprehensive selection of laboratory, medical, laboratory safety, chemicals and life sciences products through Stores and the Prime Supplier Agreement with Fisher Scientific. In FY09 the University saved nearly a million dollars through this agreement.

Commonly used items stocked on campus available for pick-up; expedited delivery for other items. Stocked items ordered by 3:00 p.m. are delivered the next workday.

- Fisher Scientific items can be ordered as late as 4:00 p.m. and delivered the next day if Fisher has them in stock
- If we do not stock it we will special order the item for you
- Emergency and same day delivery available
- Place orders through eStores on the new punch-out catalog.
- 20,000 top selling Fisher items are available through their *minority partner*, **Direct Resource** in their separate hosted catalog in eStores.
- Direct delivery to the room you specify
- On-line returns system to make returns easy
- Fisher on-site customer service representative
- Prime supplier prices are locked for 12 months
