

Loeb Electric

Loeb Electric is a third generation family owned local full line electrical distributor. Loeb Electric has the expertise to help decide/recommend the electrical product you need. We can also help design electrical and lighting systems plus we can also help Ohio State reduce energy costs. We offer free delivery via Loeb Electric trucks to the main Ohio State Campus in Columbus and also twice a week to the Newark branch. We offer free cuts on the larger size electrical wire and free cuts on Unistrut. We help replace and/or repair any product that we furnish to Ohio State University. Loeb Electric main location is located within 3 miles of Ohio State's Main Campus. Our main location is open during normal business hours Monday thru Friday, plus also open from 7:30 a.m. to noon on Saturdays. If an emergency happens after our normal business hours then you can contact our 24-hour emergency number at 614-460-5320.

Supplier(s): Advance Ballast, Appleton, Aquity, Cooper, Hadco, Holophane, Ideal Industries, GE General Electric, Littelfuse, Lithonia, Neer, OZ-Gedney, Philips, Unistrut and all Major Lighting Manufactures
