

# KIMBALL MIDWEST

*Specializing in Materials Management since 1923*

## Roger Elliott/Kimball Midwest

Roger Elliot Co. and Kimball Midwest provide our customers with quality maintenance and repair products and services. Today, we are a major force in the industrial maintenance aftermarket with the ability to provide over 38,000 different parts from our regular stocked inventory. From fasteners and paint to electrical and fluid flow products. The Roger Elliot Co. and Kimball Midwest mission is to provide our customers with high quality products, superior value added services, a broad product availability, and outstanding customer service to effectively lower total Maintenance Repair and Operations costs. There are no freight charges for all stock orders with standard delivery. Those orders that require overnight or special freight conditions the costs associated with the order will be paid for by the end user.
