

Bottled & Filtered Water Service

Aqua Falls

The Ohio State University is pleased to announce a prime supplier agreement with Aqua Falls for 3 & 5-gallon bottled water service and filtered water systems.

In an effort to maximize efficiencies and cut costs with regards to bottled water service and filtered water cooler service, Aqua Falls is offering special rates for The Ohio State University.

For Bottled Water or Filtered Water Service

- Contact Aqua Falls for pricing & options and if necessary schedule an appointment.
- New Filtration customers require an appointment for a site evaluation prior to starting service.
- For OSU employee-paid accounts, ask for special billing details.

What does this mean for OSU locations?

Every serviceable location will receive exceptional service, extra savings.
