

Spherion

Spherion has been doing business in Central Ohio for over 35 years, providing recruiting and staffing excellence in filling office professional, accounting, technology, human resources, marketing and light industrial positions. We offer the flexibility of temporary, temporary-to-hire and direct hire positions, as either full or part time jobs. Spherion's broad-based experience in recruiting is founded on an in-depth understanding of the workforce trends and the issues that drive performance. We combine our unique expertise and knowledge with a commitment to service excellence to deliver optimal workforce solutions that exceed expectations and integrate seamlessly within any organization.

Spherion is proud of the long-term relationships we have developed with our customers and look forward to becoming your staffing partner. We are available at your convenience to visit with you to discuss your department's unique staffing processes and needs.
