T&P - Charter Bus

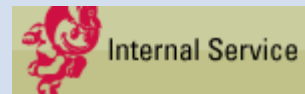

The university's Charter Bus Service should be used whenever possible for approved travel that requires bus transportation. [Charter Bus Services](#) offers the most reliable and cost effective way to provide transportation for your group.

Our modern and clean fleet of charter vehicles makes us your one-stop-shop for all travel needs. We offer a close, on-campus location and competitive pricing. Airport pick-ups, university outings, extended trips, meetings, conventions, sports events, competitions, and student groups are just some of the events and groups routinely served. Give us a call and let us show you how we can customize our service to meet all your bus rental needs.
