

Vehicle Maintenance

T&P - Vehicle Maintenance

[Transportation & Parking Vehicle Maintenance](#) is your one stop shop on campus for state vehicle repair. We offer complete vehicle care and repair from ASE certified mechanics and have armed ourselves with the best NAPA parts, tools, training, information, and technical resources to repair the broad spectrum of automotive mechanical problems that occur in the diverse University vehicle fleet. We strive for a good working relationship with our customers and want to be someone you can feel comfortable with and trust. Give us a try! We want to build a relationship with you that will meet all of your service expectations and offer you a place where you can count on accurate, reliable vehicle repair.

- Easily accessible on campus location
- Same day repair on most vehicle problems
- Pick-up and delivery of vehicles (on campus)
- ASE Certified mechanics
- State-of-the-art information system to ensure the right specifications and procedures for repairing your car
- Lowest labor rate and part cost in the area
- On-site fueling for non-leaded gas, diesel, and B20 (bio-diesel fuel)
