Minimum Requirements:

- Pricing is based on clean dry weight delivered (not for current inventory in customer storage/delivery point) and is to include replacement costs, fuel charges, environmental, inventory maintenance, prep or any other ancillary charges.
- No replacement costs, fuel charges, environmental, inventory maintenance, prep or any other ancillary charges on customer invoices and billing.
- Deliveries will be made to various cost centers and specific destinations within The Ohio State University and Wexner Medical Center at The Ohio State University. Contact Amy Bronstein in Purchasing, Receiving, Stores & Mail at bronstein.11@osu.edu or 2-7446 for delivery point details.
- The vendor will supply Ohio State and Ohio State’s Wexner Medical Center with an adequate number of fully functioning carts at no additional cost. Clean linens are to be folded, wrapped, and delivered in these carts to specified delivery point/storage area. The carts are to be left at this location for use by Ohio State and Ohio State’s Medical Center. These carts will be used to collect soiled linen. Carts are to be made available at no cost and vendor is responsible for repair and replacement under normal wear and tear. Damages outside of normal wear must be documented by the vendor at the delivery point and time of pick up. Documentation must be in writing and signed off on by both parties.
- Soiled linens covers are required for all Medical linen items and locations.
• **Table Linens:** Regularly scheduled items must be delivered between 7:00 a.m.–3:30 p.m., Monday–Friday. All standard linens are to be 100% Air Spun Polyester, condition upon delivery to be "like new", high quality, free of stains.

• **Medical Linens:** Regularly scheduled items must be delivered between 7:30 a.m.–9:30 p.m., Monday–Friday.

• Separate invoicing will be submitted by Cost Center.

• Inventory audits will be performed at a minimum of twice per year for each Cost Center.

• Pricing includes enough exchange carts to support unit operations (number of carts to equal current number of carts or greater).

• Quarterly reports will be provided listing all items purchased from the awarded vendor by cost center during contract duration.

Minor consulting services, recommendations, and problem solving can be requested at no additional cost.
