Jeni's Splendid Ice Creams

eStores

Buy Ohio

Items Offered:

- Ice Cream and Novelty Items

Company info

Their ice creams have a uniquely smooth texture and buttercream body, with bright flavor and clean finish (they don't use synthetic flavorings, dyes, or off-the-shelf mixes). You may notice the absence of a long list of stabilizers and emulsifiers on their label; they prefer the more complex process of building texture and flavor without them. Their flavors stand alone straight from the pint or melt perfectly into a fruit pie, birthday cake, crumble, crisp, or cookie—the perfect accessory for your dessert.
